Dear Parents and Carers,

Welcome back to the new term, and a very happy new year to you all.

I am delighted to introduce myself as the new Headteacher of Chepstow School. I have had the opportunity to meet staff and some students and parents during my visits to the school and I have been impressed by the talents of the young people and the vibrancy of the school community. Of course, this term we have our scheduled Estyn Inspection and it will be good to take this opportunity to celebrate all that is good, and to help us to intensify our attention in the areas that we are continuing to develop.

I firmly believe that all young people should be valued and that their talents should be recognised and developed. I look forward to working with all staff to ensure that our students have the best opportunities to be successful. My previous post was Vice Principal at a large inner city school in Plymouth and I helped to lead the transformation of the school; it is now consistently in the top performing English schools and achieved an Outstanding Ofsted in 2011. Prior to this I have worked in schools, colleges and universities. Chepstow School has enormous potential and I am looking forward to using my experiences to inform our continuing improvement.

I would like to take this opportunity to thank Tony Price for his excellent work during the Autumn term that has ensured that the school has continued to move forward.

Over the coming term I am looking forward to meeting you at school events and parents evenings. If you have any questions or concerns beforehand I will be happy to discuss these with you. I welcome working in partnership with you to ensure that our young people receive the very best education.

With best wishes

Claire Price
